The Friends of the

DIDSBURY PARSONAGE TRUST

The Didsbury Parsonage (Old Parsonage) is a Grade II listed building. The building and gardens were left to the citizens of the City of Manchester by Fletcher Moss in his will following his death in 1919.

The Didsbury Parsonage Trust provides a much needed community space for the people of Didsbury and Manchester in a locally significant and magnificent setting.

This historic building has been lovingly restored by the Trust to open up a valuable and much loved building to be used by everyone.

In the spirit of Fletcher Moss we aim to continue to preserve this historic building for future generations and to make it available for community use. Money from the Friends and any donations will go to improving the building and its facilities as well as supporting the various Parsonage community activities.

To see how you can support this valuable community asset for only £10.00pa please see overleaf.
